Take advantage of your resort credits and you will only pay the difference!

General terms and conditions: One signature credit is equal to one US dollar. All services require a reservation directly with the service provider in advance. Services are subject to availability and specific restrictions, call for more information. Signature credits are only valid with the service providers that appear on the list, for the stated amount, and can't be exchanged for cash. The specified amount of signature credits does not cover the total price of the service or product. Signature credits are only valid during your stay and are subject to change without notice. It doesn't apply with other promotions or any other credit obtained in the hotel.
